

New Journeys **Virtual Gathering**

"Increasing awareness and understanding of early psychosis and its treatment in Washington State"

Registration is open for the 2023 New Journeys Virtual Gathering!

This event will focus on increasing awareness and understanding of early psychosis and its treatment in Washington State. It is open to **anyone** who is interested in attending, including healthcare professionals, educators, first responders, students, individuals with lived experience, family members, and community members.

The event will be held over two days:
April 25th, 2023 from 8:30am - 12:00pm PST
&
May 2nd, 2023 from 8:30am - 12:00pm PST

Registration is free!

At the New Journeys Virtual Gathering, you will have the opportunity to attend breakout sessions focusing on first episode psychosis, hear from speakers who are leaders in the first episode psychosis community, and have opportunities to connect with other attendees.
